Ordinance No.27897-08-2025

AN ORDINANCE INCREASING ESTIMATED RECEIPTS AND APPROPRIATIONS IN THE ROCK CREEK PUBLIC IMPROVEMENT DISTRICT CUSTODIAL FUND BY A TOTAL OF \$1,738,936.79 OF WHICH \$1,678,936.79 IS FROM ASSESSMENT REVENUES AND \$60,000.00 FROM REDUCING UNRESERVED FUND BALANCE; FOR THE PURPOSE OF FUNDING ROCK CREEK PUBLIC IMPROVEMENT DISTRICT CUSTODIAL FUND DURING FISCAL YEAR 2025-2026; PROVIDING FOR A SEVERABILITY CLAUSE; MAKING THIS ORDINANCE CUMULATIVE OF PRIOR ORDINANCES; REPEALING ALL ORDINANCES IN CONFLICT HEREWITH; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FORT WORTH, TEXAS:

SECTION 1.

That in addition to those amounts allocated to the various City departments for Fiscal Year 2024-2025 in the Budget of the City Manager, there shall also be increased estimated receipts and appropriations in the Rock Creek Public Improvement District Custodial Fund by a total of \$1,738,936.79 of which \$1,678,936.79 is from assessment revenues and \$60,000.00 from reducing unreserved fund balance, for the purpose of funding Rock Creek Public Improvement District Custodial Fund during Fiscal Year 2025-2026.

SECTION 2.

That should any portion, section or part of a section of this ordinance be declared invalid, inoperative or void for any reason by a court of competent jurisdiction, such decision, opinion or judgment shall in no way impair the remaining portions, sections, or parts of sections of this ordinance, which said remaining provisions shall be and remain in full force and effect.

SECTION 3.

That this ordinance shall be cumulative of Ordinance 27107-09-2024 and all other ordinances and appropriations amending the same except in those instances where the provisions of this ordinance are in direct conflict with such other ordinances and appropriations, in which instance said conflicting provisions of said prior ordinances and appropriations are hereby expressly repealed.

SECTION 4.

This ordinance shall take effect upon adoption.

FORT WORTH PUBLIC IMPROVEMENT DISTRICT NO. 17**(ROCK CREEK RANCH)****FORT WORTH, TEXAS****ANNUAL SERVICE PLAN UPDATE****A. Introduction**

The Fort Worth Public Improvement District No. 17 (Rock Creek Ranch) (the "PID") was created pursuant to the PID Act and a resolution of the City Council on December 13, 2016 to finance certain Authorized Improvements for the benefit of the property in the PID. The City of Fort Worth, Texas Special Assessment Revenue Bonds, Series 2017 (Fort Worth Public Improvement District No. 17 – Rock Creek Ranch – Major Improvement Project) (the "Major Improvement Bonds"), in the aggregate principal amount of \$12,685,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the Major Improvements that benefited all of the property in the PID. In addition, the City of Fort Worth, Texas Special Assessment Revenue Bonds, Series 2018 (Fort Worth Public Improvement District No. 17 – Rock Creek Ranch – Roadway Improvement Project) (the "Roadway Improvement Bonds"), in the aggregate principal amount of \$5,155,000 were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the Roadway Improvements that benefited the Western Improvement Area within in the PID.

The Service and Assessment Plan was initially prepared at the direction of the City and approved by the City Council on August 15, 2017 identifying the Major Improvements to be provided by the PID, the costs of the Major Improvements, the indebtedness to be incurred for the Major Improvements, and the manner of assessing the Assessed Property within the PID for the costs of the Major Improvements. The Service and Assessment Plan was updated at the direction of the City and approved by the City Council on June 5, 2018 (the "Updated Service and Assessment Plan") identifying the Roadway Improvements to be provided by the PID, the costs of the Roadway Improvements, the indebtedness to be incurred for the Roadway Improvements, and the manner of assessing the Assessed Property within the Western Improvement Area of the PID for the costs of the Roadway Improvements.

The Updated Service and Assessment Plan was amended and restated at the direction of the City and approved by the City Council on January 26, 2021 allocating the Major Improvement Special Assessments separately for the Major Improvements related to the Water Improvements (the "Water Improvements portion of the Major Improvement Special Assessments") and the Major Improvements related to the Sanitary Sewer Improvements (the "Sanitary Sewer Improvements portion of the Major Improvement Special Assessments"). In addition, The Amended Service and Assessment Plan established that the Water Improvements Portion of the Major Improvements are being provided for the benefit of all of the Assessed Property in the PID (in both the Eastern Improvement Area and the Western Improvement Area excluding the Water Improvements Unserved Tracts). Similarly, the Sanitary Sewer

Improvements Portion of the Major Improvements are being provided for the benefit of all of the Assessed Property in the PID (in both the Eastern Improvement Area and the Western Improvement Area excluding the Sanitary Sewer Improvements Unserved Tracts).

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In accordance with these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix B and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Pursuant to the PID Act, the Service and Assessment Plan (as updated and/or amended from time to time) must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is an update of the Amended Service and Assessment Plan for fiscal year 2026 (the "Annual Service Plan Update") and covers updates to the annual budget of the PID and Annual Installments to be collected for fiscal year 2026.

The City also adopted assessment rolls (the "Assessment Rolls") identifying the assessments on each Parcel of Assessed Property within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for tax year 2025 and fiscal year 2026.

Capitalized terms not defined herein shall have the meaning specified in the Amended and Restated Service and Assessment Plan.

B. Update of the Service Plan

Budget for the Authorized Improvements

The updated total estimated costs of the Major Improvements to be funded with the Major Improvement Bonds (including bond issuance costs) was equal to \$12,765,569 and the updated total estimated costs of the Major Improvements (including the Major Improvements to be funded with the Major Improvement Bonds, the University Improvements and the Non-PID Related Improvements) was equal to \$14,362,900 as shown in the Amended Service and Assessment Plan and in Table B-1 on the following page.

Debt Service and Administrative Expenses

Major Improvement Bonds - Annual Installments

The Major Improvement Special Assessments imposed on any Parcel may be paid in full at any time. If not paid in full, the Major Improvement Special Assessment shall be payable in twenty Annual Installments of principal and interest beginning with the tax year following the issuance of the Major Improvement Bonds, of which twelve (12) Annual Installments currently remain outstanding.

Pursuant to the Service and Assessment Plan, each Major Improvement Special Assessment on the Assessed Property within the Western Improvement Area and Eastern Improvement Area of the PID shall bear interest at the rate on the Major Improvement Bonds plus 0.5% as described below commencing with the issuance of the Major Improvement Bonds. The effective interest rate on the Major Improvement Bonds is 5.06% per annum for fiscal year 2026. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent (0.5%) higher than the actual interest rate (the Additional Interest rate), paid on the debt. Accordingly, the effective interest rate on the Major Improvement Bonds plus Additional Interest of one-half of one percent (5.56%) is used to calculate the interests on the Major Improvement Special Assessments. These payments, the "Annual Installments" of the Major Improvement Special Assessments, shall be billed by the City (or another party designated by the City) in 2025 and will be delinquent on February 1, 2026. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Major Improvement Bonds from the collection of the Annual Installments of the Major Improvement Special Assessments levied against the Assessed Property within the Western Improvement Area and Eastern Improvement Area of the PID. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments and administration of the PID. The Additional Interest collected with the Annual Installments will be used to fund the Delinquency and Prepayment Reserve amounts as described in the Service and Assessment plan and the applicable Indenture.

Major Improvement Annual Installments to be collected for fiscal year 2026

The budget for Major Improvements of the PID will be paid from the collection of Annual Installments collected for fiscal year 2026 as shown by Table B-6 on the following page.

(a) Budgeted amounts to be collected for debt service are based upon the current outstanding Major Improvement Special Assessments. Variances between amounts budgeted for debt service and actual debt service may be funded by the prepayment reserve account and/or any other available funds, if any.	

As shown in Table B-6 above, the total Annual Installment of the Major Improvement Special Assessments to be collected for fiscal year 2026 is equal to \$1,189,498.87 (\$1,235,498.97 - \$46,000.00) for payments that will be due within the fiscal year 2026. The total debt service portion of the Annual Installments to be collected for the Major Improvement Bonds, the Administrative Expenses, and the excess interest for Delinquency and Prepayment Reserve to be collected for fiscal year 2026 are shown as \$1,106,468.64 (\$1,126,468.64 - \$20,000.00 = \$1,106,468.64), \$39,000.00 (\$59,000.00 - \$20,000.00 = \$39,000.00), and \$50,030.23, respectively. The total debt service portion of the Annual Installments to be collected for the Major Improvement Bonds within the fiscal year 2026 represent two semi-annual interest payments of \$253,234.32 each due on March 1, 2026, and September 1, 2026, and \$620,000.00 in principal payment due on September 1, 2026 for the fiscal year 2026.

Pursuant to the Service and Assessment Plan, the Major Improvement Special Assessments and the related Annual Installments shall be allocated to the Assessed Property within the Western Improvement Area and Eastern Improvement Area based on the ratio of the estimated buildout values for each area.

As described in the introduction section of this Annual Service Plan Update, the Amended Service and Assessment Plan was approved for allocating the Water Improvements portion of the Major Improvement Special Assessments and the Sanitary Sewer Improvements portion of the Major Improvement Special Assessments. In addition, the Amended Service and Assessment Plan established that the Water Improvements Portion of the Major Improvements are being provided for the benefit of all of the Assessed Property in the PID (in both the Eastern Improvement Area and the Western Improvement Area excluding the Water Improvements Unserved Tracts). Similarly, the Sanitary Sewer Improvements Portion of the Major Improvements are being provided for the benefit of all of the Assessed Property in the PID (in both the Eastern Improvement Area and the Western Improvement Area excluding the Sanitary Sewer Improvements Unserved Tracts). Accordingly, the outstanding Major Improvement Special Assessment and fiscal year 2026 Major Improvement Annual Installments are calculated in Table B-7 below based on the allocation percentages applicable to each category of Tracts [i.e., (i) Western Improvement Area – Major Improvements (Sanitary Sewer Improvements and Water Improvements served Tracts), (ii) Western Improvement Area – Major Improvements (Sanitary Sewer Improvements Unserved Tracts), (iii) Western Improvement Area – Major Improvements (Water Improvements Unserved Tracts), (iv) Eastern Improvement Area – Major Improvements (Excluding Water Improvements Unserved Tracts), and (v) Eastern improvement Area – Major Improvements (Water Improvements Unserved Tracts) that were calculated and included in the Amended Service And Assessment Plan. The applicable Special Assessment allocation percentages shown in Table B-7 below have been updated based on updated information received by the Subsequent Developer. Refer to the Parcel Updates information within Section D of this report for additional detail regarding the updated development plan and adjusted Special Assessment allocations.

Appendix A-5 – Eastern improvement Area – Major Improvements Assessment Roll Summary 2025-26 (Water Improvements Unserved Tracts) attached herein.

Roadway Bonds - Annual Installments

The Roadway Improvement Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in nineteen Annual Installments of principal and interest beginning with the 2018 tax year, of which twelve (12) Annual Installments currently remain outstanding.

Pursuant to the Service and Assessment Plan, each Roadway Improvement Special Assessment on Assessed Property within the Western Improvement Area of the PID shall bear interest at the rate on the Roadway Bonds plus 0.5% as described below commencing with the issuance of the Roadway Improvement Bonds. The effective interest rate on the Roadway Bonds is 5.00 percent per annum for fiscal year 2026. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent (0.5%) higher than the actual interest rate (the Additional Interest rate), paid on the debt. Accordingly, the effective interest rate on the Roadway Improvement Bonds plus Additional Interest of one-half of one percent (5.50%) is used to calculate the interests on the Roadway Improvement Special Assessments. These payments, the “Annual Installments” of the Roadway Improvement Special Assessments, shall be billed by the City (or another party designated by the City) in 2025 and will be delinquent on February 1, 2026. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Roadway Improvement Bonds from the collection of the Annual Installments of the Roadway Improvement Special Assessment levied on the Assessed Property within the Western Improvement Area. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments and administration of the PID. The Additional Interest collected with the Annual Installments will be used to fund the Delinquency and Prepayment Reserve amounts as described in the Service and Assessment plan and the applicable Indenture.

Roadway Annual Installments to be collected for fiscal year 2026

The budget for Roadway Bonds that lies within the Western Improvement Area of the PID will be paid from the collection of Annual Installments collected for the fiscal year 2026 as shown by Table B-8 below.

Table B-8

Administrative expenses	\$38,000.00
Additional interest for Delinquency and Prepayment Reserves	\$20,039.81
Total Uses	\$503,437.92
Available reserve fund income	(\$4,000.00)
Available capitalized interest account	\$0.00
Available Administrative Expense account	(\$10,000.00)
Subtotal funds available	(\$14,000.00)
Annual Installments	\$489,437.92
Total Sources	\$503,437.92
(a) Budgeted amounts to be collected for debt service are based upon the current outstanding Roadway Improvement Special Assessments. Variances between amounts budgeted for debt service and actual debt service may be funded by the prepayment reserve account and/or any other available funds, if any.	

As shown in Table B-8 above, the total Annual Installment of the Roadway Improvement Special Assessments to be collected for fiscal year 2026 is equal to \$489,437.92 (\$503,437.92 - \$14,000.00 = \$489,437.92) for payments that will be due within the fiscal year 2026. The total debt service portion of the Annual Installments to be collected for the Roadway Improvement Bonds, the Administrative Expenses and the excess interest for Delinquency and Prepayment Reserve to be collected for fiscal year 2026 are shown as \$441,398.11 (\$445,398.11 - \$4,000.00 = \$441,398.11), \$28,000.00 (\$38,000.00 - \$10,000.00 = \$28,000.00) and \$20,039.81, respectively. The total debt service portion of the Annual Installments to be collected for the Roadway Improvement Bonds within the fiscal year 2026 represent two semi-annual interest payments of \$100,199.06 each due on March 1, 2026 and September 1, 2026, and \$245,000.00 in principal payments due on September 1, 2026 for the fiscal year 2026.

Pursuant to the Amended Service and Assessment Plan, the Roadway Improvement Special Assessments and the related Annual Installments shall be allocated to the Assessed Property within the Western Improvement Area based on the ratio of the

estimated buildout values for each Parcel. The outstanding Roadway Improvement Special Assessment and fiscal year 2026 Roadway Improvement Annual Installments are calculated in Table B-9 below based on the allocation percentages applicable to each category of Tracts [i.e., (i) Western Improvement Area – Roadway Improvements (Sanitary Sewer Improvements and Water Improvements served Tracts), (ii) Western Improvement Area – Roadway Improvements (Sanitary Sewer Improvements Unserved Tracts), and (iii) Western Improvement Area – Roadway Improvements (Water Improvements Unserved Tracts) that were calculated and included in the Amended Service And Assessment Plan. The applicable Special Assessment allocation percentages shown in Table B-9 below have been updated based on updated information received by the Subsequent Developer. Refer to the Parcel Updates information within Section D of this report for additional detail regarding the updated development plan and adjusted Special Assessment allocations.

Improvement Area	Outstanding Roadway Improvement Special Assessments	%	Total Roadway Improvement Annual Installments (Western Improvement Area)

Grand Total - All Tracts	\$4,007,962.20		\$489,437.92

(a) The percentages shown above are calculated and shown in Table IV-D.1 of the Amended Service and Assessment Plan.

The list of Parcels within the Western Improvement Area, the aggregate Roadway Improvement Special Assessments for the Western Improvement Area, and the aggregate Annual Installments to be collected from each Parcel for fiscal year 2026 are shown in:

Appendix A-6 – Western Improvement Area – Roadway Improvements Assessment Roll Summary 2025-26 (Sanitary Sewer Improvements and Water Improvements served Tracts) attached herein,

Appendix A-7 – Western Improvement Area – Roadway Improvements Assessment Roll Summary 2025-26 (Water Improvements Unserved Tracts) attached herein, and

Appendix A-8 – Western Improvement Area – Roadway Improvements Assessment Roll Summary 2025-26 (Sanitary Sewer Improvements Unserved Tracts) attached herein.

C. Update of the Assessment Plan

The Updated Service and Assessment Plan adopted by the City Council provided that the cost of Authorized Improvement shall be allocated to the Assessed Property based on the ratio of estimated buildout value anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the

imposition of equal shares of the costs of the Authorized Improvement to Parcels similarly benefited.

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the Amended Service and Assessment Plan.

D. Update of the Assessment Roll

Pursuant to the Amended and Restated Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel; (ii) the Special Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); and (iv) payments of the Special Assessment, if any, as provided by Section VII.C of the Service and Assessment Plan.

The summary Assessment Rolls are shown in Appendices A-1 through A-8 attached herein. Each Parcel in the PID is identified, along with the aggregate Special Assessment for the applicable improvement area and the Annual Installments to be collected from each Parcel.

Parcel Updates

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the formula shown in the Updated Service and Assessment Plan.

On June 6, 2025, the Subsequent Developer provided an updated development plan for the single family units anticipated to be constructed within the PID. The updated development plan estimated that 3,905 single family units are anticipated to be constructed, which represents an increase of 230 single family units from the original single family development plan of 3,675 single family units initially provided by the Developer. As a result, the allocation percentages for the Major Improvement Special Assessments and the Roadway Improvement Special Assessments have been revised pursuant to the updated development plan.

See Table D-1 on the following page for the Major Improvement Special Assessments allocation prior to the update to the single family unit count for Parcels located within the Western Improvement Area of the PID.

1 - Pursuant to the Amended and Restated Service and Assessment Plan, assumes a per unit buildout value of \$315,000 (single family), \$132,000 (multifamily), and \$200 (per commercial square foot).
 2 - Unit counts as provided in the updated development plan per the Subsequent Developer.

Western Improvement Area

According to the Developer, a final plat was approved by the City on February 15, 2019 for Brewer Boulevard, a 25.957-acre roadway located entirely within the Western Improvement Area of the PID. As a result, the Major Improvement Special Assessments and Roadway Improvement Special Assessments associated with the aforementioned final plat were reallocated to the Parcels within the Western Improvement Area of the PID for billing purposes beginning in tax year 2020.

According to the Tarrant Central Appraisal District online records and the Developer, Parcel subdivisions for the proposed development of 648 multi-family units and 240 single family units were recognized in the official County roll in 2024. As a result, the Major Improvement Special Assessments and Roadway Improvement Special Assessments associated with the proposed development described in this paragraph were reallocated to the new Parcels within the Western Improvement Area of the PID for billing purposes beginning in tax year 2024.

According to the Tarrant Central Appraisal District online records and the Subsequent Developer, Parcel 43042867 was subdivided in October 2024 for the proposed development of 234 single family units (Rock Creek Ranch West – Phase #1). As a result, the Major Improvement Special Assessments and Roadway Improvement Special Assessments associated with the proposed development described in this paragraph were reallocated to the new Parcels within the Western Improvement Area of the PID for billing purposes beginning in tax year 2025.

See Table D-7 below for the Major Improvement Special Assessments allocation prior to and after subdivision of the proposed 234 single family units.

Prepayment of Assessments

As of June 30, 2020, the Developer donated a twelve-acre tract of Assessed Property to the City for use as a police station, a fire station, or other public facility. Pursuant to Section VI.C of the Service and Assessment Plan, any transfer of Assessed Property to a party that is exempt from the payment of the Special Assessment under applicable law, or if an owner causes a Parcel or portion thereof to become Non-Benefited Property would trigger a Mandatory Prepayment.

As a result, the net amount of Special Assessment for the Series 2017 Major Improvement Bonds to be prepaid was \$12,687.27, and the net amount of Special Assessment for the Series 2018 Roadway Improvement Bonds to be prepaid was \$61,016.75, which totaled a Mandatory Prepayment of \$73,704.02. The respective Mandatory Prepayment amounts were calculated pursuant to Sections IV(3) and VI(C) of the Service and Assessment Plan (as updated for the Roadway Improvement Bonds). According to the Trustee, the Mandatory Prepayment funds associated with the twelve-acre land donation were received in April 2019. Series 2017 Major Improvement Bonds and the Series 2018 Roadway Improvement Bonds were proportionally redeemed on December 1, 2020 with proceeds of these prepayments.

There were no additional prepayments through June 30, 2025.

PID Assessment Notice

NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT DISTRICT
ASSESSMENT TO
THE CITY OF FORT WORTH, TEXAS
CONCERNING THE FOLLOWING PROPERTY

[insert property address]

As the purchaser of the real property described above, you are obligated to pay assessments to the City of Fort Worth, Texas (the "City"), for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within the Fort Worth Public Improvement District No. 17 (Rock Creek Ranch) Public Improvement District (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City. The exact amount of each annual installment will be approved each year by the City Council in the Annual Service Plan Update for the District. More information about the assessments, including the amounts and due dates, may be obtained from the City or MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

SUBJECT

(CD 6) Approve Updated Five-Year Service and Assessment Plan and Fiscal Year 2026 Budget in the Amount of \$1,738,936.79 for Rock Creek Public Improvement District and Adopt Appropriation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

1. Approve the attached updated five-year service and assessment plan and annual budget for Fiscal Year 2026 for Rock Creek Public Improvement District Custodial; and
2. Adopt the attached ordinance increasing estimated receipts and appropriations in the Rock Creek Public Improvement District Custodial Fund by a total of \$1,738,936.79 of which \$1,678,936.79 is from assessment revenues and \$60,000.00 from reducing unreserved fund balance, for the purpose of funding Rock Creek Public Improvement District Custodial Fund during Fiscal Year 2025-2026.

DISCUSSION:

The purpose of this Mayor and Council Communication (M&C) is to consider and approve a budget and updated service and assessment plan for Rock Creek Public Improvement District Custodial (Rock Creek Ranch).

In December 2016, the City Council approved the creation of the Rock Creek Ranch Public Improvement District (PID), as a vehicle to finance certain authorized improvements for the benefit of the property in the PID (M&C G-18910). PIDs are governed by Chapter 372 of the Texas Local Government Code, which requires review and update of a PID's Service and Assessment Plan (SAP) on an annual basis and establishment of an annual budget.

On August 15, 2017, the City Council approved the initial Service and Assessment Plan (SAP) for the PID encompassing the major improvements (water and sewer) in both the eastern and western improvement areas of the PID and adopted the ordinance levying assessments for those improvements on property within the entire PID (M&C G-19077). In June of 2018 the City Council approved an amended SAP to include certain roadway improvements to be provided in the western improvement area and enacting an ordinance levying assessments for those improvements on property within the western improvement area (M&C G-19297).

City Council approved the issuance and sale of Special Assessment Revenue Bonds, Series 2017 (Fort Worth Public Improvement District No. 17 – Rock Creek Ranch – Major Improvement project) in the aggregate principal amount of \$12,685,000.00 (M&C G-19079) and issuance and sale of Special Assessment Revenue Bonds, Series 2018 (Fort Worth Public Improvement District No. 17 – Rock Creek Ranch – Roadway Improvement project), in the aggregate principal amount of \$5,155,000.00 (M&C G-19296).

The SAP was updated in August of 2018 and an annual budget was adopted (M&C G-19355). Updated budget and assessment rolls for the PID were adopted for subsequent years (M&C 20-0907 and 20-0008). On December 1, 2020, another public hearing was held and an amended and restated SAP was adopted reflecting possible exclusion from the sewer assessment of properties within the PID if they do not receive a benefit from the sewer portion of the major improvements and addressing maximum assessment rates triggered by sale of a portion of the property within the PID by the developer.

This M&C and the attached SAP are intended to serve as the SAP update and annual budget for Fiscal Year 2026.

The Fiscal Year 2026 budget for the PID is summarized in the following table:

Revenues	Major Improvements Assessment Area	Roadway Improvements Assessment Area	Totals
Assessment Revenue	\$1,189,498.87	\$489,437.92	\$1,678,936.79

Roadway Improvements Assessment Area	\$489,437.92	\$14,000.00	\$503,437.92
Totals			\$1,738,936.79

A Form 1295 is not required because: This M&C does not request approval of a contract with a business entity.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and adoption of the Fiscal Year 2026 Budget by the City Council, funds will be available in the Fiscal Year 2026 operating budget, as appropriated, in the Rock Creek PID Custodial Fund. Prior to an expenditure being incurred, the FWLab Department has the responsibility to validate the availability of funds.
